Police Department

**DATE:** October 3, 2017

**TO:** Honorable Mayor and City Council

**FROM:** Robert Guthrie, Chief of Police  
By: Dr. Jennifer Brutus, Management Analyst

**SUBJECT:** PROFESSIONAL SERVICES AGREEMENT WITH HOME BOT AUTOMATION, INC. (DBA RING) FOR A PILOT PROGRAM FOR PRIVATE SECURITY CAMERA SERVICES IN AN AMOUNT NOT TO EXCEED \$25,000

**Recommendation: Approve**

## SUMMARY

In 2016, the City experienced increased residential burglaries and attempted burglaries, reaching their combined highest point of 54 incidents in December. Data for the first two quarters of 2017 have also revealed similar trends of criminal activity. In response to this uptick in crime and in an effort to prevent future residential burglaries and aid investigations, it is recommended that the City establish a one-year pilot program with Bot Home Automation, Inc. (dba Ring) whereby City residents can purchase Ring's private security camera products at a discounted price (\$100 off: \$50 City contribution and \$50 Ring subsidy). Therefore, it is recommended that the City Council approve, and authorize and direct the City Manager to execute, a Professional Services Agreement with Ring for private security cameras services for the period of October 4, 2017, through June 30, 2018, in an amount not to exceed \$25,000. The contract will include an option to renew for three additional one-year periods.

## BACKGROUND

From 2015 to 2016, there was a sharp 22% increase in violent and property crimes in Arcadia. The most significant increase by category was burglary and attempted burglary, which increased by 66% when considering residential and commercial incidents combined. It should be noted that burglaries are also rising in many other San Gabriel Valley cities. Overall, the increase in property crime can be attributed to recent prison reform legislation in California, like Assembly Bill ("AB") 109 and Proposition 47.

The City of Arcadia has identified a program offered to municipalities by the vendor Bot Home Automation, Inc. (dba Ring) for discounts on their private security camera products – the most popular model is known as the Ring Video Doorbell. Several

agencies across the U.S. have partnered with Ring including local agencies like the Cities of Commerce, Rancho Palos Verdes, Redondo Beach, and Los Angeles (LAPD), among others. In 2016, Ring partnered with the LAPD to install Ring Video Doorbells in a large percentage of the Wilshire Park neighborhood and after six months the neighborhood experienced a 55% reduction in burglary crimes compared to the previous year's level. Hoping to generate similar results, a handful of other agencies are currently in the process of establishing Agreements with Ring for subsidy programs, including the City of La Canada Flintridge.

Staff conducted an informal bid process and discovered that, although other video doorbells and private security cameras are on the market, they do not compare to Ring's product specifications, pricing, and capabilities.

## **DISCUSSION**

The City would like to partner with Ring for a one-year pilot program as part of its Crime Reduction Strategy. The Program, which would operate out of the Arcadia Police Department's Community Affairs Office, would encourage residents to take a proactive approach toward preventing crime in their communities by purchasing a Ring Video Doorbell or other security camera product at a discounted price.

Under the Program, the City would offer residents a monetary incentive of \$50 toward any one (1) Ring Video Doorbell or a select number of private security camera products. In addition, the City has negotiated a subsidy with Ring to further reduce the cost to residents. Ring is offering an additional \$50 off the Ring Video Doorbell 2, Ring Video Doorbell Pro, Ring Video Doorbell Elite, Spotlight Cam Battery, Spotlight Cam Wired, and Floodlight Camera, which would bring the total resident discount to \$100 on any of these products. Like the City's incentive, Ring's \$50 discount is also limited to one (1) product per resident household. The savings available for residents are as follows:

<b>Model</b>	<b>Retail Price</b>	<b>City's Incentive</b>	<b>Ring's Product Discount</b>	<b>Arcadia Resident's Price</b>
Video Doorbell 2	\$199	\$50	\$50	\$99
Video Doorbell Pro	\$249	\$50	\$50	\$149
Video Doorbell Elite	\$499	\$50	\$50	\$399
Spotlight Cam Battery	\$199	\$50	\$50	\$99
Spotlight Cam Wired	\$199	\$50	\$50	\$99
Floodlight Cam	\$249	\$50	\$50	\$149

The company also agrees to provide residents with an additional \$30 off discount that will be valid on up to two (2) additional devices per household as well as an additional discount of 20% off Ring Accessories. This does not apply to the Ring Video Recording Services or non-Ring accessories.

All of the models enable residents to receive instant alerts when visitors press the doorbell or trigger the built-in motion sensors, and see, hear, and speak to anyone at their front door from their smartphone, tablet, or PC. The intercom capability enables residents to respond audibly and view live video feed – even if they are not actually home. Thus, residents who are at work or on vacation can lead suspects to believe they are home and possibly deter break-ins. The cameras can also assist law enforcement agencies by recording suspects during the commission of their crimes. Additionally, it offers convenience for those residents who are busy working in their garage or occupied at home, but still want to have eyes and ears around their residence.

The main difference between models is the power source. Some, such as the Video Doorbell 2 can operate on a quick-release rechargeable battery that can attach anywhere. Others can only be hardwired, or require Ethernet cables. All Ring products are weather resistant. Each product also comes with 30 days of free Video Recording Service, which would allow residents access to Video Review (review all Ring videos anytime, anywhere), Cloud Storage (save videos for up to 60 days), Video sharing (with friends, family and neighbors), and Event Saving (ability to save and delete videos from account). After the free trial expires, residents have the option of extending the service for \$3 per month per camera (\$30 per year) or \$10 per month for an unlimited number of Ring cameras (\$100 per year). All Ring products come with a 1-year warranty and if the product is ever damaged or stolen within this time frame, the company is committed to replacing it for free.

Under the Agreement, Ring will provide the City with a promotional code, which can be given to residents for use when purchasing a camera online via the company's website [www.ring.com](http://www.ring.com). The code will only be valid if the purchaser enters a shipping address with one of the City's four zip codes. In order to ensure the code is provided to qualified residents, Arcadia residents will be required to contact the Program Administrator to receive the code and sign a General Release Agreement, which covers use of the promotional code, a general release, release of unknown claims (waiver of Civil Code 1542), and disclaimer of representation and warranties. The promotional code will only be active for 120 days at a time.

The Police Department is also interested in hosting a kick-off event for the Program in which the Police Department would explain the program to residents in-person. Under the Agreement, Ring would make available company representatives from their Neighborhood Division to deliver a presentation on the products being offered, differences between models, installation, and be available to answer questions. Ring would also bring products to the event for residents interested in making a direct purchase.

In regards to payment, Ring would invoice the City on a monthly basis for the City's portion (\$50) for each resident household that redeems the promotional code. When the invoiced amount reaches the agreed upon total for the program, which in this case is \$25,000, the promotional code would no longer provide the discount until additional funds are made available from the City. Ring would also notify the City when 300 (60%) of the promotional codes have been redeemed.

In addition to an accounting statement, Ring will also provide the City with an address report for the products purchased in order to help the Arcadia Police Department track the location of Ring Video Doorbells and other Ring security camera equipment, and assess the level of community interest.

Overall, a pilot-program with Ring for private security cameras for use by Arcadia residents can help create safer neighborhoods. The company's goal aligns with the Arcadia Police Department's – to help stop crime before it happens. In addition, Ring is devoted to helping communities and their product goes beyond traditional home security.

Therefore, it is recommended that the City Council approve Bot Home Automation, Inc. (dba Ring) as the City's provider of private security camera services for the period of October 4, 2017, through June 30, 2018, with the option to renew on a year-to-year basis for three additional one-year periods.

### **ENVIRONMENTAL REVIEW**

The proposed action does not constitute a project under the California Environmental Quality Act ("CEQA"), and it can be seen with certainty that it will have no impact on the environment. Thus, this matter is exempt under CEQA.

### **FISCAL IMPACT**

For the one-year pilot program, the City's financial obligation will be a maximum of \$25,000, which is variable depending on actual community interest. The funds have been budgeted in the City's approved FY 2017-18 Police Department Budget.

### **RECOMMENDATION**

It is recommended that the City Council approve, and authorize and direct the City Manager to execute a Professional Services Agreement with Bot Home Automation, Inc. (dba Ring) for private security camera services in an amount not to exceed \$25,000.

Police Department

**DATE:** October 16, 2018

**TO:** Honorable Mayor and City Council

**FROM:** Robert Guthrie, Chief of Police  
By: Dr. Jennifer Brutus, Sr. Management Analyst

**SUBJECT:** PROFESSIONAL SERVICES AGREEMENT WITH RING, LLC FOR THE EXTENSION OF THE SUBSIDY PROGRAM FOR PRIVATE SECURITY CAMERA SERVICES IN AN AMOUNT NOT TO EXCEED \$25,000  
**Recommendation:** Approve Supplemental Budget Appropriation of \$25,000 and Approve Subsidy Extension

## SUMMARY

In November 2017, the City of Arcadia established a pilot program with Ring LLC ("Ring") to offer residents discounted security cameras. The City Council approved \$25,000 for 500 subsidies for which the City contributed \$50 and Ring contributed \$50 for a total discount of \$100 off per household. In August 2018, the subsidies were exhausted and numerous Arcadia residents and business owners who did not have an opportunity to participate expressed interest in the program. It is recommended that the City Council allocate an additional \$25,000 to extend the subsidy to an additional 500 participants, and approve, and authorize and direct the City Manager to execute a Professional Services Agreement with Ring, LLC for the extension of the Subsidy Program for private security camera services in an amount not to exceed \$25,000.

## BACKGROUND

From 2015 to 2016, there was a 22% increase in violent and property crimes in Arcadia. The most significant increase by category was burglary and attempted burglary, which increased by 66% when considering residential and commercial incidents combined. In the past year, the City of Arcadia has experienced an overall decrease in crime. To date, robbery decreased by 26% and residential burglary decreased by 27% in comparison to last year's levels. The Police Department is utilizing all of its community resources to combat crime and, ultimately, arrest and adjudicate criminal offenders.

The Police Department's partnership with Ring is one resource that has increased resident safety, deterred suspects, and assisted with criminal investigations. In 2017, the City established a pilot-program with Ring to offer Arcadia residents discounts on

Ring's private security camera products. Under the Agreement, Ring matched the City's \$50 contribution for a total discount of \$100 off per household.

### **Pilot-Program Outcome**

In order to promote the program and allow an opportunity for residents to obtain the subsidy in person, the Police Department held a Ring Security Products Subsidy Event at the Arcadia Masonic Lodge on Wednesday, December 6, 2017. Over 500 residents attended the event where they learned about Ring security products and had direct contact with Ring representatives to ask questions and identify which security camera(s) best fit the needs of their property. As a result, 277 Arcadia residents took advantage of the subsidy and many residents purchased more than one security device resulting in total sales of 336 devices.

After the event, the Police Department began distributing the remaining Ring promotional discounts to residents via email and in-person. In addition to the \$100 off discount, Ring offered residents a \$30 discount on additional security devices with a maximum of two per household; as well as 20% off Ring accessories. By August 2018, the last of 500 subsidies was exhausted and, in total, Arcadia residents purchased 741 security cameras, ranging from Video doorbell cameras to spotlight cameras to floodlight cameras.

The City's subsidy program offered residents the largest discount on Ring products. Due to the City's limited availability of subsidies, many residents opted to purchase a camera at higher prices through Ring.com and other retailers such as Costco, Home Shopping Network, and Amazon. In addition, many Arcadia residents purchased cameras on July 12<sup>th</sup> - Amazon Prime Day. Overall, since the program's inception, from November 2017 through August 2018, 1,800 Ring security cameras have been installed within the city limits of Arcadia. Due to Ring's privacy policy, the company is unable to share how many of the 741 cameras sold through the City's program have actually been installed. The assumption is that residents are taking steps to install their cameras in a timely manner in order to enhance their safety and protect their property.

In addition, there have been incidents where residents' cameras aided criminal investigations. In one incident, a resident's Ring Video Doorbell camera captured footage of four residential burglary suspects who were attempting to gain entry into his residence. The Arcadia Police Department arrested three suspects at the time of the incident; however, the fourth suspect was not detained. Afterwards, the resident provided detectives with the Ring video clips and the Department was able to identify the fourth suspect by the clothing worn by the suspect and the suspect was ultimately arrested.

In another case, the Department arrested someone for residential burglary and put out an informational bulletin after his arrest. After a resident reviewed the bulletin, he then

reviewed his surveillance footage and noted that the same individual in the bulletin knocked on his front door approximately 30 minutes before the time of his committed burglary. Although the Ring video footage did not lead to the suspect's arrest (yet), it has helped investigators on the back end of the investigation by showing how suspects case neighborhoods and attempt to see who is and is not home.

Moreover, several Arcadia residents have expressed to the Department their satisfaction with the program and gratitude toward the City for making subsidies available. Residents are glad that the City Council is putting public safety at the forefront of City priorities and would like to see the program extended.

Due to the success of the program, it is recommended that the City Council allocate an additional \$25,000 to extend the program to an additional 500 participants.

By allocating an additional \$25,000, the City will be able to offer discounted security devices to 500 more households and also business owners. The pilot program was originally geared toward resident households; however, several business owners have expressed interest in the program. In support of the business community, the Department will promote the subsidy through our Business Watch Program.

## **DISCUSSION**

The City would sign a new Professional Services Agreement with Ring for the extension of the subsidy program. The Program will continue to operate out of the Arcadia Police Department and will encourage residents and business owners to take a proactive approach toward preventing crime in their communities.

Under the Program, the savings available for residents and business owners are as follows:

<b>Model</b>	<b>Retail Price</b>	<b>City's Incentive</b>	<b>Ring's Product Discount</b>	<b>Arcadia Resident's Price</b>
Video Doorbell 2	\$199	\$50	\$50	\$99
Video Doorbell Pro	\$249	\$50	\$50	\$149
Spotlight Cam Battery	\$199	\$50	\$50	\$99
Spotlight Cam Wired	\$199	\$50	\$50	\$99
Floodlight Cam	\$249	\$50	\$50	\$149

The company also agrees to continue providing participants with additional discounts including \$30 off on up to two (2) additional devices per household. In addition, Ring agrees to provide Residents an additional discount of 20% off Ring Accessories. This does not apply to the Ring Video Recording Services or non-Ring accessories.

The Department plans to hold another community event with Ring in December 2018 where residents and business owners will be given the opportunity to purchase a device in-person. A total of 500 subsidies will be available on a first-come-first-serve basis. However, if subsidies are remaining after the event, Ring will provide the City with promotional codes as it did in the past and all sales will be completed on the company's website [www.ring.com](http://www.ring.com). In order to ensure the code is provided to qualified residents and business owners, participants will be required to sign a General Release Agreement, which covers use of the promotional code, a general release, release of unknown claims (waiver of Civil Code 1542), and disclaimer of representation and warranties.

In regards to payment, Ring will continue to invoice the City on a monthly basis for the City's portion (\$50) for each resident household that redeems the promotional code. When the invoiced amount reaches the agreed upon total for the program, which in this case is \$25,000, the promotional code would no longer provide the discount until additional funds are made available from the City. Staff and Ring will also continue working together to monitor the program's progress and respond to residents' questions about the program and/or Ring products.

Overall, extending the program with Ring for discounted private security cameras for use by Arcadia residents and business owners will further enhance safety in Arcadia neighborhoods and around businesses. Ring's company mission, vision, and goals also align with the Arcadia Police Department's – *to help stop crime before it happens*.

Therefore, it is recommended that the City Council allocate an additional \$25,000 for private security cameras with Ring in order to extend the discount to another 500 households or businesses.

### **ENVIRONMENTAL ANALYSIS**

The proposed action does not constitute a project under the California Environmental Quality Act ("CEQA"), and it can be seen with certainty that it will have no impact on the environment. Thus, this matter is exempt under CEQA.

### **FISCAL IMPACT**

It is recommended that the City Council make a supplemental budget appropriation in the amount of \$25,000 from the General Fund Reserve to the Police Department's Community Affairs FY 2018-19 Operating Budget for the City's contribution of \$50 per Ring device. The City's financial obligation will be a maximum of \$25,000, which is variable depending on actual community interest.

**RECOMMENDATION**

It is recommended that the City Council approve a supplemental budget appropriation in the amount of \$25,000 to provide discounts for private security cameras services; and approve, and authorize and direct the City Manager to execute a Professional Services Agreement with Ring, LLC for the extension of the Subsidy Program for private security camera services in an amount not to exceed \$25,000.

City Manager

Good evening Mayor and City Council Members:

**Ring Subsidy Pilot Program was a great success...**

- We rolled out the program in December of last year and did a kick-off event at the Masonic Lodge where Ring set-up a pop-up shop for Arcadia Residents.
- Over 500 residents attended the event and more than 300 devices were sold.
- In August the subsidies were exhausted and many residents continue to call the Police Department inquiring about the program and asking for the discount. (on average 15-20 phone calls and emails per week)

**FACTS...**

- Some interesting facts about the program is that Ring saw a jump in sales for Arcadia after the program launched.
- From November to August, 1,800 security devices have been installed within Arcadia's city limits
- A total of 741 cameras have been sold through the City's Subsidy program, that's 500 devices discounted by \$100 and 241 extra devices that were sold to residents wanting more than 1.
  - (Due to the privacy policy, don't know if all 741 have been installed, assumption is Yes)
- Residents are continuing to share their video feed with investigators and the cameras have aided in criminal investigations.
- I'd also like to share that so many residents are thankful for the subsidy. At the event and over the phone, we have received comments from residents that they are glad to see the police department creating opportunities for residents to increase their safety and inviting them to take a part in stopping crime before it happens.

**As a result, the Police Department recommends that you allocate an additional \$25,000 to extend the program to another 500 participants....**

- This requires 1) approving a supplemental budget appropriation and 2) signing a new agreement with Ring (which is essentially the same as the first agreement)
- The only change to the program is that the discount would be offered to businesses, in the first agreement we restricted it to residents only.
- Many businesses have expressed interested through our Business Watch Program. Many businesses have talked to us about installing a video doorbell at their front, side and rear entrances and they feel it would help increase their protection, especially after-hours.

**If approved, PD would host another community event...**

- Ring is interested in coming out for another pop-up shop.
- A tentative date is Wed., December 5<sup>th</sup> and we are looking to have the event in the evening at the Arcadia Masonic Lodge.
- All information would be publicized on our City and Dept websites and social media accounts.

### **Memorandum of Understanding**

This agreement is entered into this 19 day of February 2019 by and between Ring LLC ("Ring") and the City of Arcadia ("Agency"), (collectively the "parties") and will provide Agency access to the Neighbors Portal to communicate with users of the Neighbors app ("Ring Neighbors") and encourage community engagement as we work together to make Arcadia's ("City") neighborhoods safer.

- Neighbors by Ring app ("Neighbors App") is a digital neighborhood watch that both law enforcement and the public may access free of charge by downloading the Neighbors App (iOS and Android).
- The Neighbors App allows users to share and comment on real time crime and safety events in their neighborhood.
- As part of the program, Agency may:
  - Utilize the critical crime and safety events that are posted in the Neighbors App by Ring Neighbors to assist in law enforcement operations and investigations; and
  - Post information relating to critical incidents and other incidents in the app to keep Ring Neighbors informed regarding issues in their neighborhoods.

With an understanding that a robust, active and engaged user community is essential to the immediate, sustained and ongoing success of the program, the parties agree to the following responsibilities:

#### **Ring**

- Make the Neighbors App available to City residents free of charge.
- Make the Neighbors Portal available to Agency free of charge, including ongoing support and training for Agency employees.

#### **Agency**

- Maintain appropriate access controls for Agency personnel to use the Neighbors Portal.

#### **Press Release**

The parties shall agree to a joint press release to be mutually approved by the parties. Neither party may use the other party's name, logo, or likeness in any advertising or press release without prior written approval of the other party. Notwithstanding the foregoing, Ring shall be permitted to provide in-app alerts to Ring Neighbors announcing Agency's participation in the Neighbors App.

#### **Term**

Agency's participation in the program shall commence upon Agency's acceptance of these program terms. Either party may terminate Agency's participation in the program at any time by providing 30 days' written notice to the other party; provided that in the case of material breach of this Agreement by the Agency, Ring shall only be required to provide three days' written notice to Agency.

#### **Privacy and Terms of Use**

Ring will not provide any customer personal information, including video footage, to Agency without the prior

consent of the owner or properly issued legal process that complies with federal and state law, as applicable. Agency agrees to use the Neighbors Portal only as expressly authorized by Ring and only in connection with bona fide Agency work. Ring's terms of service and privacy notice, as posted on Ring.com, shall apply to all uses of the Neighbors App and, as applicable, the Neighbors Portal.

**Compensation**

At no point shall either party receive compensation from each other as a result of this program.

**Confidentiality**

Unless otherwise required by law, the Parties shall not disclose the terms of this program or any information that is designated as confidential or that, given the nature of the information or the circumstances surrounding its disclosure, reasonably should be considered as confidential.

Hi Jennifer,

It was nice speaking to you yesterday. We have created the 202 codes and they are in this excel doc. As for the \$30 off and 20% off accessories code these are no unique. They are 1 time use per e-mail address and are capped by Arcadia zipcodes.

to use the discounts residents will need to log on to [ring.com](http://ring.com) and put the codes in at check out. They will need to do separate transactions for the discounts because of the way the site is built. Please let me know if you have any questions.

The code for the 20% off accessories is

The code for \$30 off 2 extra items is

The code for \$100 off the first item is [in this google doc](#) . With this you can manage who you distribute the codes to and once a code is used we can let you know.

Thank you. Hope you have a nice day.

Please send us the event invoice - I will process the payment for the subsidies that were used at the event. Then afterwards, according to the contract, Ring should invoice us on a monthly basis for codes used online until all 500 are exhausted.

Hi Jennifer,

How was your weekend? I am following up from our call last week to let you know that I have made the templates for the emails for residents.

I will have the codes shortly, Below is an email template for both the people you have given codes to and residents you will be giving new codes to. We also would like to update the website with a disclaimer for residents so they understand that just because they received a code, doesn't guarantee they will make a purchase because a purchase is first come first serve basis. Thank you for the partnership. I will get these codes over as soon as possible. Please let me know if you need anything else from me at this time.

### **This is for new residents:**

Thanks for writing in. Please refer to the information below to complete your checkout.

**Codes are first come, first serve:** Please use your \$100 off code as soon as possible to take advantage of the subsidy discount. Receiving a code does not guarantee a discounted device as there are a limited amount of devices available for the program. Codes are valid for a single use only.

**Using the code:** You can complete your purchase on [www.ring.com](http://www.ring.com). The discount code can be applied to any Video Doorbell and/or Security Camera (except bundles).

#### **Code Information:**

\$100 off retail price for (1) of the select devices: <<insert code>>

If you have any comments, questions, or a code isn't working, please let me know and I will assist.

### **This is for residents who have been given a code:**

Thank you for claiming you Ring Rebate code.

the program crime has been reduced in Arcadia, similar to the "LAPD crime study" in my signature. Would you be open to working with me?

I appreciate it.

Hi Jennifer,

Thank you for your email! I have shared the MOU with our team. I'm going to get this processed and get a counter signature. Once that is complete, I'll make introductions to our account management team and we will have you on-boarded. This process should take approximately 3 weeks or less. Please feel free to call or email me if you have any questions.

Thank you for your time. We look forward to working with you!

Jennifer,

As we wait for the MOU process to be completed, I would like to work with you to ensure that we are set up for on-boarding. Could you please help me identify the personnel responsible for the positions below?

- Primary Point of Contact - [Jennifer Brutus, Sr. Management Analyst](#)
- Public Information Officer / Social Media Liaison – [Tom LeVeque, Social Media Coordinator](#), [Dan Crowther, Sergeant/APD PIO](#) & [Idania Guerrero, Detective/APD PIO](#)
- Investigative - CID/Crime/Property Crime – [Brett Bourgeois, Sergeant \(Investigations Unit\)](#) and [Kristin Blair, Crime Analyst](#)
- Community Outreach Officer – [Mike Vercillo, Community Affairs Officer](#) & [Steve Delgadillo, Community Affairs Liaison](#)

In the case where the PIO/Social Media Liaison, Community Outreach Officer and Investigative Representative weren't in our webinar, could you please introduce me to them via an email? I would like to present the webinar to them so that we can transition smoothly to on-boarding, where we will partner our PR Coordinator with your PIO/Social Media Liaison/Community Outreach Officer and our Account Manager with your Investigative Representative. Prior to this, it is important for me to present to them, to ensure they are knowledgeable on Neighbors Portal by Ring. This will enable us to best position ourselves for success on Neighbors Portal.

Thank you for your time, Jennifer.

Sincerely,

Rohit D. Murti

Jennifer,

Thank you for arranging our meeting to learn about Ring's approach to reducing crime in communities.

An overview of our program:

Our platform combines the deterrent value of a visible security system (devices) with the power of an actively engaged community (via a free app) to reduce criminal activity and to help solve open investigations.

Neighbors Portal is Law Enforcement's access to our platform. Portal highlights include:

1. No Cost - Neighbors Portal is free to Law Enforcement.
2. Community Engagement - Law Enforcement's ability to join the conversation (about posted video or in response to posted comments).
3. Alerts - You may post alerts which are highly relevant (proximity) to the recipient.
4. Video Request - You may request video from Ring device owners relevant to active investigations.

As you review the attached MOU, or if others will be charged with this task, please feel free to contact me at any time. My cell number is 832-992-9910. Once we receive the signed copy of the MOU, we can move forward with the on-boarding.

Thank you again for meeting with me. I look forward to working with you and Arcadia Police Department.

Sincerely,

Rohit D. Murti

Jennifer,

Please find the fully signed MOU agreement, attached. Thank you for working with me through this process. Please allow me to introduce you to your Account Manager - Barry Parker.

Barry brings extensive experience in the business and is well positioned to successfully onboard and work with you and Arcadia Police Department. The next step to commence Portal onboarding will be to set up a 1-hour webinar with you, key stakeholders and Barry. As the onboarding is of a 'train-the-trainer' style, we only require the following personnel to join:

- **Partnership Coordinator** - main champion for the Ring partnership
  - Name - Jennifer Brutus
  - Email - [jbrutus@arcadiaca.gov](mailto:jbrutus@arcadiaca.gov)
- **Press/Media Coordinator** - typically the PIO who will coordinate the initial partnership announcement and ongoing PR
  - Name - Tom LeVeque, Sergeant Dan Crowther, Detective Idania Guerrero
  - Email - [tleveque@arcadiaca.gov](mailto:tleveque@arcadiaca.gov), [dcrowther@arcadiaca.gov](mailto:dcrowther@arcadiaca.gov), [iguerrero@arcadiaca.gov](mailto:iguerrero@arcadiaca.gov)
- **Social Media Coordinator** - person(s) in the department who manage(s) comments on Facebook, Twitter, NextDoor, etc
  - Name - TBD
  - Email - TBD
- **Community Relations Coordinator** - the person who oversees the team that interfaces with the community at events, HOA meetings, Neighborhood Watch meetings, etc.
  - Name - Mike Vercillo
  - Email - [mvercillo@arcadiaca.gov](mailto:mvercillo@arcadiaca.gov)
- **Investigative Coordinator** - your resident expert when the department wants to send a video request. This person will be trained on best practices for ensuring the maximum participation and sharing of videos.
  - Name - Sergeant Brett Bourgeois, Kristin Blair
  - Email - [bbourgeois@arcadiaca.gov](mailto:bbourgeois@arcadiaca.gov), [kblair@arcadiaca.gov](mailto:kblair@arcadiaca.gov)

Involvement by each of these groups is essential for active community participation (specifically on video requests) and overall long-term success of the partnership. Please ensure you have access to a computer in order for us to screen-share the Portal with you. Barry, could you please coordinate with Jennifer to identify a day and time that works for both of your schedules?

Thank you, to you both, for your time.

Sincerely,

Rohit D. Murti

Hi Jennifer,

I hope you are having a great day. I wanted to share with you a post on the Neighbors feed in the Arcadia PD Portal that caught my attention. Now I don't know if this is Arcadia PD with the gun and if you didn't comment for a reason, but I thought I would share it with you. Have a great evening, and I will talk to you tomorrow morning.
